Muirfield Place Project

Muirfield Place opened in 1991 and provides short residential breaks for children and young adults with a learning disability. Situated within a quiet estate in Kilwinning, Muirfield Place provides an enjoyable stay in a friendly, homely and comfortable environment.

The house is spacious and provides wheelchair access throughout. There are four bedrooms with washing facilities and height adjustable beds. Each room is designed along a theme including 'Disney' and 'Space'.

There is also a large enclosed garden which has swings, a picnic table and a summer house.

Children normally come to Muirfield Place for either a weekend stay, arriving on a Friday and leaving on a Monday or for a midweek stay, arriving on a Monday and going home on a Friday. Shorter or longer stays can be offered on request.

Whilst staying at Muirfield Place, children and young adults will continue to attend their daytime placements, which means that if they attend school they will arrive from school on the first day of their stay and return home after school on the last day of their stay.

Arrangements for initial visits to Muirfield Place will then be made.

For informal enquiries please contact the Project Manager at Muirfield Place.
